

OREGON SCIENCE OLYMPIAD

February 2024 Update

Thanks for being part of Science Olympiad! Here are some things you can do to prepare for the State of Oregon Science Olympiad Tournament. If you have questions about any of these things, please let me know at ashley.dasilva@lebanon.k12.or.us

Check with your Coach for sign-up events.

Coaches will soon be receiving forms for self-scheduled engineering/build events. Please communicate with your coach about signing up for these times.

We ask that these forms are completed by **March 1, 2024**, so we can put together a schedule that works well for our volunteers. We have 14 B division and 21 C division teams this year, and this is a higher number of teams!

Fill out the Parent Form.

Our tournament at University of Portland is coming up soon -- **March 16, 2024**. If you are a parent, please fill out the informational form linked below.

[2024 Science Olympiad Parent Form](#)

Coaches should also be sharing access to this form. **We ask that these forms are completed by March 1, 2024.**

Consider attending a baseball game during your time at the tournament.

University of Portland has scheduled a **home baseball game** (opening weekend against University of Maryland!) and is offering discount tickets for Science Olympiad families. It's also an opportunity to enjoy great hot dogs or other food items.

Help Spread the Word about Volunteering.

We are now working at recruiting the Tournament Assistants, who help with but do not design events. **If you know anyone who would like to volunteer, you can share this volunteer form and advertisement.**

Preview our Schedule.

Our State Tournament this year will be on **Saturday, March 16th, at University of Portland**. We have a draft schedule for you to see event times on and will be posting a real room schedule shortly. We anticipate many changes to room numbers based on the increased number of teams.

Find Extra Resources from our National Organization!

Online link: <https://www.soinc.org/myso>

Every month, MySO offers lesson plans, practice tests, and note-taking resources. There are also mid-month workshops.

Please also be sure to check **rules clarifications available for several events** posted online on <https://soinc.org/events/rules-clarifications>
