

OREGON SCIENCE OLYMPIAD

March 2024 Update

Thanks for being part of Science Olympiad! Here are some things you can do to prepare for the State of Oregon Science Olympiad Tournament. If you have questions about any of these things, please let me know at ashley.dasilva@lebanon.k12.or.us

Check in with your Coach for sign-up events.

Most coaches have completed forms for sign-up events, the team roster, and ethics pledge. Thank you so much!

We will release a sign-up event schedule on Wednesday, March 6, so we can put together a schedule that works well for our volunteers. There will be limited available testing spots for sign-up events after this date.

Fill out the Parent Form.

Our tournament at University of Portland is coming up soon -- March 16, 2024. If you are a parent, please fill out the informational form linked below.

[2024 Science Olympiad Parent Form](#)

Coaches have access to lists of which participants have emergency information on file from parents. **Coaches, please share this link with all parents on your team.**

View our Final Schedule with Room Numbers and Map.

C Division - [event schedule](#)
 B Division - [event schedule](#)
 Both Divisions - [event schedule](#)

There will be paper versions of both the schedule and map available at the tournament check-in (Buckley Hall). Team room assignments will also be available at check-in.

Decide to Attend (or Skip) the Opening and Closing Ceremony.

We have two ceremonies planned during the Science Olympiad tournament. **Both will be held in Bauccio Commons and both are optional.**

The Opening (Welcome) Ceremony will be at 8:40 am and last approximately to 9:00 am. The Closing (Awards) Ceremony will be at 5:30 pm and last approximately to 6:30 pm. Awards not picked up at the ceremony will be mailed to coaches.

Adjust Gliders for the Dimensions of our Flight Space.

The Flight Event will be held in the Beauchamp Practice Court. This space is 114 feet by 74 feet. The ceiling is 29 feet at the edges of the room and 39 feet in the center.

Thank you for your patience in receiving this information. University of Portland had to send someone to measure the space, as they did not have this information accessible to the event planning office!

Consider attending a baseball game during your time at the tournament.

University of Portland has scheduled a home baseball game (opening weekend against University of Maryland!) and is offering discount tickets for Science Olympiad families. It's also an opportunity to enjoy great hot dogs or other food items.
